

Argumentation Supporting Activity Planning Tool: Student Use of Evidence and Reasoning

Directions: Considering your students’ challenges with evidence and reasoning, think about how each of these activities might help your students. Include notes explaining how an activity might address a particular challenge.

	Challenges with Evidence			Challenges with Reasoning	
	Source	Relevance	Sufficiency	Connecting	Science Ideas
Evidence Card Sort, 1 Claim					
Evidence Card Sort, 2 Claims					
Evidence Gradient Tool					
Hands-on Activity Gathering Evidence					
Small Group Discussion					
Using Rubric for Peer Feedback
